Those ordering will please give plain and explicit directions as to the route and manner in which such goods are to be forwarded, as our responsibility ends on delivery at Railway Station or Express Office.

While we hold ourselves in readiness, on proper proof, to replace all trees, etc., that may prove untrue to label, free of charge, or refund the amount paid, it is mutually understood and agreed to, between the purchaser and ourselves, that our guarantee of genuineness shall in no case make us liable for any sum greater than that originally received for said trees, etc., that prove untrue.
